

It couldn't be easier

Essentially, we'll handle all of the paperwork and formalities associated with running a successful recruitment agency. From day one we will work with you and your clients to make sure everything is in place. We start by protecting you from bad debt, we provide funding so that we can pay your contractors and temps on time, we invoice clients in your name, we chase payments on your behalf and we can support you by making sense of compliance and legislation. We provide a complete support package to take care of all those tasks and responsibilities that distract you from candidate attraction and selection, and every Friday we send you 100% of your profit, minus our agreed fee.

*Is paid exclusive of VAT where a client goes into liquidation. £1000 loss excess applies.
